

2011 City of San Jose Community Budget Survey

Posted by **Pierluigi Oliverio** on Monday, January 17, 2011

The City of San Jose contracted with a public opinion organization to conduct a telephone poll of 1,000 San Jose residents. Residents will be asked survey questions about the budget and city services from Jan 13 to Jan 17.

The results of the phone survey will be shared in February. Please note I received a draft of the survey and some of the questions have been edited.

Since only 1,000 people will get a call out of one million residents, I wanted to provide an opportunity for you to partake in the survey via the internet.

This survey closes Jan 30.

If you appreciate urban parks than consider attending the San Jose premiere of The Olmstead Legacy film. March 7 at City Hall. For more info click here: <http://tinyurl.com/OlmstedLegacy>
